this is the most accessible work in english on the greatest mystical poet of islam providing a survey of the basic sufi and islamic doctrines concerning god and the world the role of man in the cosmos the need for religion man s ultimate becoming the states and stations of the mystical ascent to god and the means whereby literature employs symbols to express unseen realities william chittick translates into english for the first time certain aspects of rumi s work he selects and rearranges rumi s poetry and prose in order to leave aside unnecessary complications characteristic of other english translations and to present rumi s ideas in an orderly fashion yet in his own words thorough nontechnical introductions to each chapter and selections that gradually present a greater variety of terms and images make this work easily accessible to those interested in the spirituality of any tradition

an engaging study of sufi teachings that presents the sufi way as a universal means of gaining a greater understanding of ourselves others and the world in sufi teaching the human heart is not a fanciful metaphor but an objective organ of intuition and perception it perceives all that is beautiful lovely and meaningful in life and reflects these spiritual qualities in the world for the benefit of others every human heart has the capacity and the destiny to bring that world of divine reality into this world of appearances the sufis mystics of islam have been educators of the heart for some fourteen centuries their teachings and methods are designed to help us awaken and purify the heart to learn to listen to our

deepest knowing in the knowing heart kabir helminski presents the sufi way as a practical spirituality suitable for all cultures and times and offers insights that are especially valuable for our life in today s world in cultivating a knowing heart we learn to experience a new sense of self transform our relationships and enhance our creative capacities most important we learn how to meet the spiritual challenge of our time to realize our sacred humanness

ibn al arabi is still known as the great sheik among the surviving sufi orders born in muslim spain he has become famous in the west as the greatest mystical thinker of islamic civilization he was a great philosopher theologian and poet william chittick takes a major step toward exposing the breadth and depth of ibn al arabi s vision the book offers his view of spiritual perfection and explains his theology ontology epistemology hermeneutics and soteriology the clear language unencumbered by methodological jargon makes it accessible to those familiar with other spiritual traditions while its scholarly precision will appeal to specialists beginning with a survey of ibn al arabi s major teachings the book gradually introduces the most important facets of his thought devoting attention to definitions of his basic terminology his teachings are illustrated with many translated passages introducing readers to fascinating byways of spiritual life that would not ordinarily be encountered in an account of a thinker s ideas ibn al arabi is allowed to describe in detail the visionary world from which his knowledge derives and to express his teachings in his own words more than 600 passages from his major work al futuhat al makkiyya are translated here practically for the first time these alone provide twice the text of the fusus al hikam the exhaustive indexes make the work an invaluable reference tool for research in sufism and islamic thought in general

since its original publication in 1976 this volume has sold over 250 000 copies worldwide and has earned a place among the truly great stories of the spiritual quest feild vividly recounts his path of ecstasy despair hope fear confusion and enlightenment as he finds himself among the sufis and dervishes in turkey line drawings

baba rexheb a muslim mystic from the balkans founded the first bektashi community in america this is his life story and the story of his communities the traditional bektashi tekke in albania where he first served the displaced persons camps to which he escaped after the war the centuries old tekke in cairo where he waited and the bektashi community that he founded in michigan in 1954 and led until his passing in 1995 baba rexheb lived through the twentieth century its wars disruptions and dislocations but still at a profound level was never displaced through bektashi stories oral histories and ethnographic experience frances trix recounts the life and times of this modern sufi leader she studied with baba rexheb in his community for more than twenty years as a linguistic anthropologist she taped twelve years of their weekly meetings in turkish albanian and arabic she draws extensively on baba s own words as well as interactions at the michigan bektashi center for a remarkable perspective on our times you come to know baba rexheb and his gentle way of teaching through example and parable poetry and humor the book also documents the history of the 700 year old bektashi order in the nineteenth and twentieth centuries in the balkans and egypt and its transposition to america it attests to the role of sufi centers in islamic community life and their interaction with people of other faiths

the sufi journey is a path of self discovery a journey into spirituality focusing on who we truly are and our connection to god this book is a collection of spontaneous talks inspiring and guiding us towards transformation on our quest to know ourselves and god

the journeys of a taymiyyan sufi explores the life and teachings of ʿImād al-dīn aḥmad al-waṣiṭī d 711 1311 a little known Ṭanbalī sufi master from the circle of ibn taymiyya d 728 1328 the first part of this book follows al-waṣiṭī's physical journey in search of spiritual guidance through a critical study of his autobiographical writings this provides unique insights into the rifʿaṭiyya the shādhiliyya and the school of ibn ʿarabī several manifestations of sufism that he encountered as he travelled from waṣiṭ to baghdad alexandria and cairo part i closes with his final destination damascus where his membership of ibn taymiyya's circle and his role as a sufi teacher is closely examined the second part focuses on al-waṣiṭī's spiritual journey through a study of his sufi writings which convey the distinct type of traditionalist sufism that he taught in early eighth fourteenth century damascus besides providing an overview of the spiritual path unto god from beginning to end as he formulated it this reveals an exceptional interplay between sufi theory and traditionalist theology

this collection of articles by artists philosophers psychologists and social scientists explores the sufi tradition and its best known teacher rumi a 13th century poet jurist and philosopher setting aside the standard account of rumi as a poet of mystic love these contributors view his writings in a historical context investigating sufism's ties to islam and the teachings of the prophet mohammad and tracing rumi's influence on persian and turkish literature the reasons why sufism has transcended national boundaries and sectarian strife so successfully are also debated and several contributors recommend the sufi message of faith love and tolerance as a useful common ground for dialogue between religious groups

an unparalleled exploration of sufism as it is practised around the world describing meetings with today's enlightened teachers as well as including wonderfully inspiring translations of the great sufi masters of the past ultimately this book acts as a guide to the sufi path and offers wise insight into the meaning and purpose of life a compelling view of sufi history together with vivid personal remembrances of living mystics this is an inspiring and at the same time beautifully subtle book with light filled insights on every page saadi shakur chishti author of the sufi book of life the sufi path described in this book leads the seeker past ordinary states of consciousness towards a new experience of infinitude that is the source of the universe in this stage there is no duality or otherness but instead infinitude the original oneness from which all dualities and attributes emanate the book is at once an autobiography a didactic treatise and a literary opus full of wonderful translations of the words of earlier sufis as well as the author's own poetry it describes shaykh fadhlalla haeri's life quest to connect today's world with classical times especially through his meetings with enlightened sufis all over the globe shaykh fadhlalla haeri also addresses profound sufi teachings concerning the nature of humankind the cosmos and god using clear and simple language to address difficult doctrinal issues as only a master who has digested fully such knowledge could do the book also reveals much about the present day islamic world where despite the tragedies that are to be seen everywhere tradition and spirituality survive this is a metaphysical and spiritual guide to the sufi path that ultimately offers insight into the meaning and purpose of life

we have known each other through all of eternity the beloved is connected to all of us through our inner heart so how can we be strangers when we know each other so intimately have you ever looked into the eye of love i was walking in a crowded street with my friend suddenly everyone coming in the opposite direction started greeting him i thought how could this happen there is no way everyone knows him i started writing this book out of this curiosity in the end i also looked into the eye of love and became acquainted with our beloved this book is based on a true story and only the names are changed it is written in the loving memory of our beloved haci ahmet kayhan dede the yunus emre of our
